

IA|BE and ILAC has the pleasure to invite you to the jointly organized Webinar which will take place on Thursday, April 27 at 18h15 till 19h15

The topic will be:

Introduction to Catastrophe Risk Management

(The Webinar will be held in English)

by

Alan GODFREY

Exposure Management Principal, Somp International

Dan DICK

Executive Managing Director, Global Head of Property Analytics, AON Reinsurance Solutions

Megan HART

Managing Director, AON Reinsurance Solutions

David SINGH

Director, Head of Climate Analytics & Exposure Management, Willis Towers Watson

Howard KUNST

Chief Actuary, Science & Analytics, CoreLogic

This presentation is an opportunity to find out more about this developing profession and the role it plays; hear more about catastrophe models – what they are and what they are not – and how they fit into the insurance ecosystem; current areas of focus, and how the International Society of Catastrophe Managers (ISCM) delivers education and training both within and outside their community; and what relevance this all has to the actuarial profession.

We kindly ask you to confirm your presence at the following link:

<https://www.ilac.lu/agenda/fiche/2023/04/27/iscm-catastrophe-risk-management>

<https://iabe.be/trainings/detail/634/joint-training-ia-be-ilac-introduction-to-catastrophe-risk-management#.ZB21AbKZO02>

You will receive the Teams link the day before the session will take place.

Participation to this webinar will entitle the IA|BE and ILAC members to 1 point CPD.

Participation is free.
