

**ASTIN**  
Non-Life Insurance

# MASTERCLASSES

ASTIN Masterclasses is a series of online masterclasses on a wide range of non-life insurance topics taught by the greatest minds of the actuarial profession and renowned authorities on risk and insurance. They are fully interactive covering topics from such key areas of interest as financial stability and enterprise risk management, regulatory changes, data science and artificial intelligence in insurance, climate change and catastrophe risk, cyber risk, and InsurTech and disruptive technologies.

## Webinar on The Insurance-Risk Landscape with Michael Powers

Michael R. Powers is Professor of Finance at Tsinghua University's School of Economics and Management. He also holds a joint appointment as Professor of Economics and Business at Tsinghua's Schwarzman College. From 2012 to 2015, he served as chair of Tsinghua's finance department – a unique assignment for a foreign academic in China.

## The webinar on October 30th with Michael Powers is free!

In this webinar, Michael will introduce his [Masterclass on The Insurance-Risk Landscape](#). He will preview the first episode in this 10-part series and navigate the metaphorical landscape formed by the many manifestations of insurance risk – from natural and human-made perils to insurance company insolvency. Along the way, he stops to explore some of the most intriguing twists and turns in the landscape, with an ability to make the complex simple, and the simple profound. We will close with a Q&A session for the audience. If you are working in Insurance and Risk Management, you should attend this webinar!
